AACC provides new member benefits through AFEX partnership

In today's unpredictable global economy, companies and individuals exposed to currency fluctuations need to have access to the right tools and expert knowledge to effectively and efficiently manage their exposure. The Australian American Chamber of Commerce is proud to partner with AFEX to offer AACC members access to a team of foreign exchange specialists and a comprehensive range of global payment and risk management solutions.

AACC members will receive expert guidance and industry-leading foreign exchange solutions from AFEX to help reduce costs, manage risk and seize opportunities from favorable movements in the currency markets.

AFEX is currently offering all AACC members **complimentary risk management consultations** and **\$0 wire transfer fees** on all FX transactions.

About AFEX

AFEX is a trusted global payment and risk management solutions specialist with a heritage that dates back to 1979. With offices throughout the Americas, EMEA and Asia Pacific, they operate seamlessly 24 hours a day, 7 days a week, in over 200 countries, trading more than \$15bn in foreign exchange each year.

With a diverse client base of more than 24,000 active commercial clients including importers and exporters, educational and financial institutions, small businesses, multinational corporations and individuals, they recognize the distinct requirements of each of their clients. They take considerable pride in creating unique and strategically adept global payment and foreign exchange solutions to help clients meet their financial goals.

Their knowledge of foreign currency markets is second to none, so you can be assured that whatever your goals, you will have a team of experts working in your best interests.

Key benefits of their solutions include:

- Expert guidance and FX tools
- Simple Account opening process with no cost or obligation
- Award-winning transaction processing
- Convenient, secure and fast delivery of funds
- Competitive exchange rates and fees
- Reduced currency risk with Rate Orders and Forward Contracts
- Global 24/7 secure payments online with **AFEXDirect**
